

# Pattypan Squash – Sunburst Scallop

## Key features

- Organic
- All-America Selections winner
- Bush type

## Description

“Sunburst is a deep yellow scallopini that is as vibrant as the sun. Delicious as it is colorful, it’s the earliest and most productive of the yellow scallopini. Vigorous 3 foot bush habit. Can be picked from baby size up to 6–8 inches across without losing its tender, buttery flavor. “
