

Tomato, Big Boy – 4 inch pot

Key Features

- Indeterminate, produces continuously
- Requires staking or cages
- Heat-tolerant and crack-resistant

Description

“Its incredible productivity and gorgeous, perfect, large red fruit made it an instant hit when it was introduced in 1949. What’s kept Big Boy a best-selling tomato all these years is the wonderful aroma and rich flavor.

Healthy vines produce large, red, smooth, firm, thick-walled, 10-16 oz fruit all summer long. Its wonderful aroma and richly flavored meaty flesh cannot be beat. Widely adaptable. “
