

Pepper – Sweet Mini Snack Baby Belle

Key Features:

- Bite sized
- Snacks and salads
- Quick to mature
- Good for containers

Description:

“Baby Belle snack peppers have delicious, sweet flavor and crisp texture. These bite-size little beauties make wonderful eating fresh off the plants or enjoy them as tasty, quick and nutritious snacks. They are the perfect size to quickly core and toss into fresh salads. The compact plants are heavy producers, and ornamental in the garden or containers.”
